

## 2019 US LACROSSE GIRLS HIGH SCHOOL RULES EXAM

1. A White player shoots on the Red goalkeeper and misses the goal. When the ball goes over the end line, a White player is closest to where the ball goes over the boundary line. The white player may come in, pause, and self-start within 2m from the boundary closest to where the ball went out without any instruction from the official.
2. Any player may reach over the restraining line or center draw circle and touch the ground with their stick to play the ball, as long no part of the player's foot or body is touching the ground on or over the line.
3. When clearing a defensive player in the 8m arc for a Free Position and her shortest way out would not place her at the adjacent hash to the shooter, she is not entitled to that position.
4. A foul in the midfield by the defense stops play with less than 2 minutes left in the game (with a score of 8-7). The player who was fouled may self-start.
5. A player may self-start within the critical scoring area if the attack has fouled and the free position is outside the 8m arc.
6. A whistle is blown for a foul outside the CSA. After coming to a stop, the ball carrier may continue the course of play without waiting for an additional whistle. The player fouled must take the free position within playing distance of the spot of the foul.
7. With two seconds left in the game, White #2 is on the first inside hash mark, ready to take a free position. The whistle starts play, White #2 starts to run in and as she shoots, releases the ball and then the horn to end the game goes off. The ball enters the goal after the sound of the horn. The official disallows the goal.
8. The ball must be in the Critical Scoring Area in order to begin the count for a 3 second violation.
9. The score is 15-2 in the second half of the game with 1:52 left on the clock. Orange #16 is cross-checked by Blue #2. The official blows her whistle and then Orange #16 immediately self-starts. The official should blow the whistle and signal a change of possession for self-starting in under 2 minutes of the game.
10. A suspended player who has received two yellow cards in one game is suspended from further participation in that game and will also be suspended from playing in the teams' next contest.
11. On the draw, all players below the restraining line are **only** released when clear possession is gained and the official winds their arm to signal the release.
12. Both Obstruction of Free Space to Goal and Three Seconds violations are in effect and should be called as soon as the ball crosses over the restraining line.
13. Self- starts are permitted during over-time play.

14. In order for a player to be considered properly equipped for play while wearing a helmet, the chin strap must be securely fitted under the chin and snapped.
15. Following a whistle blown for a foul outside of the critical scoring area, the player who is awarded the free position, after coming to a stop, may continue the course of play without waiting for an additional whistle (both feet stationary on the ground and the ball positioned in the head of the stick). The player fouled must take the free position within playing distance of the spot of the foul. The offending player shall move 4 meters as directed by the official from the player taking the free position.
16. Repeated failure to move away from the free position, move behind the ball carrier, or self-start from beyond the playing distance may result in the official stopping play, warning the offenders and restarting play on her whistle. (may need to be carded).
17. When the ball is in the air, an empty stick check should only be called when a player's action is to intentionally check or impede her opponent's stick to prevent her from gaining possession.
