NOTES TO OBSERVER:

- This form is intended to be used as a means of keeping a record of events for refs being observed. The observation should be a learning experience for the person(s) being observed & should provide positive feedback & guidance which will aid in improving their performance & increasing their enjoyment while refereeing.
- Please give referee rating in the Comments section above (L-1, L-2, L-3) for each referee being observed.
- If the referee being observed is a candidate for upgrade to collegiate official, please note this on the form in the Comments section.
- It is important that this be a positive experience for everybody involved. Please be relaxed and informal!
